

**REMARKS**

Applicants have studied the Office Action dated March 21, 2005, and have made amendments to the claims. Claim 20 has been cancelled without prejudice. Claims 1-19 remain pending in the application. Reconsideration and allowance of the pending claims in view of the above amendments and the following remarks are respectfully requested. Applicants submit that the application, as amended, is in condition for allowance.

In response to the restriction requirement under 35 U.S.C. § 121, Applicants elect for continued prosecution of the Group II claims (i.e., claims 1-19) drawn to a method of making a semiconductor device. To advance prosecution, Applicants have cancelled claim 20 without prejudice.

Claims 1-2 have been amended to correct minor antecedent matters which are not related to patentability.

In view of the foregoing, it is respectfully submitted that the application and the claims are in condition for allowance. Reexamination and reconsideration of the application, as amended, are requested.

The Examiner is respectfully requested to direct future correspondence regarding this application to the undersigned attorney at the address below.
